**Finca La Garbancera**

**Harvest:** Overnight and mechanical

**Soil:** Sandy loam, shallow and with stones; obtaining very aromatic wines, faithful to the variety.

**Vinification:** Fermentation at low temperatures and a small ageing on lees in stainless steel tanks.

**Bottling:** Rounded off in the bottle for about 2 months.

We can appreciate a luminous pale pink layer with salmon reflections. The nose is elegant and clean, with fine aromas of red fruits. It is fluid and balanced, recovering all the fruit and vivacity of the nose. It is harmonious and tasty.
